

The Sovereignty Confession

I confess that God created the Heavens and the Earth, the seas, and springs of water and everything in them,
That His ways, are just, His promises are sure, and that His Words are true.

I confess that Jesus Christ is Lord and is at the right-hand of the Father.

I confess that at the Name of Jesus everything will bow, in heaven, on earth and under the earth.

I confess God's care of every single detail of my life, from the hairs on my head to the food that I will eat.

Therefore I claim that the plans and purposes of God are manifested in my life in their perfect time.

I confess that I will reach my destiny.

That I will achieve and walk in all the works that God has predestined beforehand for me to do (Ephesians 2:10)

That I will receive every blessing in the heavenly realms and every spiritual anointing and every spiritual
working from God.

That God will direct my paths and will determine where I live, what I do, and to whom I minister.

That every provision, every person and every piece of knowledge and wisdom that God wants me to have will
arrive in its perfect time.

I confess that angels come to help me carry out the will of God.

I confess that God takes hold of every tiny particular of my life and brings it to pass for His glory! Amen.
